THE 4TH MILITARY DISTRICT HOSPITAL AND DISTRICT LABORATORY IN WROCLAW

25X1

A. THE 4TH MILITARY DISTRICT HOSPITAL ¹1. Location

For [] location and detail layout of this hospital see Annex A and Annex B.² This hospital was situated in the southern part of the city in the Krzyki III district in WROCLAW. It was located north of Ulica Pultuska, east of Ulica Slezna and south of Ulica Czarska.

25X1

2. Subordination

The 4th Military District Hospital was subordinate to the Chief of Medical Service of the Silesian Military District in WROCLAW. The assignment of the officers, [] to this hospital was controlled by the Headquarters Silesian Military District.³

25X1

3. Mission

Mission of this hospital was to care for the welfare and specialized treatment of the military and their dependents stationed within the Silesian Military District area. []

25X1

[] patients received here from other [] Regional Military Hospitals [] for further hospitalization.⁴

The mission of this hospital was to be extended in the near future. to care for the hospitalization and treatment of the military reservists. [] the plans and procedures were being prepared by the hospital staff in 1956 upon recommendations from the Silesian Military District Headquarters. This plan was to include reserve officers and reserve enlisted men alike. []

25X1

25X1

4. Organization

a. Staff and Chiefs of Departments []

The staff of the 4th Military District Hospital consisted of 10 ground forces officers, other than medical, 63 officer-doctors and one female captain Chief Nurse, name unknown. The hospital was commanded by a colonel-doctor and was

CONFIDENTIAL

25X1

a. Receiving of Patients

All patients were received at the hospital upon recommendation of their unit medical authority (usually the dispensary doctors) and upon transfer of a patient from the regional military hospitals for unspecified medical treatments which were available at the district military hospital only. [redacted] the patients arrived at the 4th Military District Hospital with their medical records only. The receiving department under the control of the Deputy CO for Organizational Matters, received the patient, retained his records, stored his clothing and issued pajamas and robes, and assigned the patient to the respective wards (department-oddzial).

25X1

b. Treatment of Patients

[redacted] there was no difference in the medical treatment for officers and enlisted men. However, the officers were put in separate rooms of the same ward, and the enlisted men were put in separate rooms or together in larger wardrooms. All bed patients, officers and enlisted men, were served the same food and by the same personnel. The ambulatory officer-patients messed in the officers dining room while the enlisted men were fed in the cadre EM mess hall.

25X1

[redacted] the treatment of officers and enlisted men in the military hospitals was standardized, at least in the Silesian Military District area. [redacted]

25X1

25X1

c. Discharge of Patients

The military patients were discharged from the hospital directly to their parent units. [redacted]

25X1

[redacted] some cases [redacted] officers applied for release from active duty on medical grounds [redacted] the applications were initiated through the units personnel offices. [redacted]

B. THE DISTRICT LABORATORY

1. Location

The District Laboratory was situated in one building within the 4th Military District Hospital compound (See Annex B, item 5 for the physical layout and description).

2. Subordination

[redacted] although this laboratory was located in the same compound with the 4th Military District Hospital, it was directly subordinate to the Chief of the Medical Service of the Silesian Military District. [redacted] the requests for the medical supplies for the laboratory were made separately from the 4th Military District Hospital and directly for the approval of the Chief of Medical Service, Silesian Military District.

25X1

25X1

25X1

3. Mission

The District Laboratory performed all laboratory work for the 4th Military District Hospital and unspecified special laboratory work for the regional military hospitals subordinate to the Chief of Medical Service of the Silesian Military District.

CONFIDENTIAL

25X1

CONFIDENTIAL
